72	\$686	\$586	\$10,925

AFG's Balloon Lending Program is a "fully insured walk-away balloon" payment program. On a 36 month "walk-away" balloon, the buyer makes 35 payments and when the balloon payment is due the buyer can pay off the balloon through a trade-in, private sale, refinance or simply walk away. The customer can also pay off the loan anytime during the term of the loan with no prepayment penalty.
